Dear Parents,

St. Francis de Sales has a long, rich tradition of educating children according to a Catholic philosophy of education. This philosophy is based on a value system that respects each person as a unique gift of God.

St. Francis is a child/family centered school, first opening its doors to parish children in February, 1921. Being the only Catholic school in Herkimer County at present, St. Francis has become an Early Childhood Learning Center, welcoming families of all area Catholic parishes, as well as non-Catholics.

The fact that we have continued to be open and viable for so many years indicates that we have much for which to be thankful. To successfully continue into the future, however, we need positive support, lots of hard work, and a sacrificial spirit on the part of many families in the area.

We ask God's blessing on the efforts of all who involve themselves in St. Francis de Sales Early Childhood Learning Center so that area children can continue to be offered academic excellence in an environment that emphasizes faith, values, and discipline. Regulations governing St. Francis Early Childhood Learning Center may be found at www.rcda.org.

May this new school year be a very happy and rewarding one for all who are in any way a part of the St. Francis de Sales Early Childhood Learning Center.

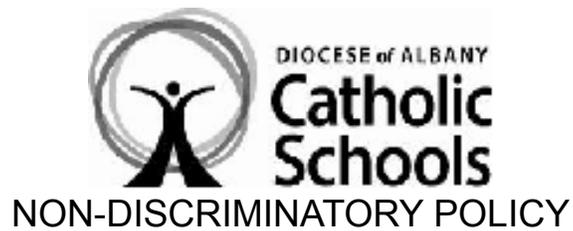

Sincerely in Christ,

Miss Alyssa, Mrs. Becky, Mrs. Erin, and Miss Sirena

All Day Three and Four Year Olds

Since your child will be spending all day with us, please make sure to provide them with a lunch from home. We do have a milk program and you can order milk on a monthly basis. We have a rest time during the afternoon. Children lie down on mats and lights are out for a short time. They must bring a blanket. On some Fridays, we have a movie time with rest as a treat!

Following rest time, Children have a snack using something they have left over from their lunch. Before leaving, stories are read, songs are sung, and we get ready to go home by putting our items in backpacks and getting our jacket on. At 2:30 PM, the children are dismissed to an authorized adult at the designated exit. (North door).

NOTES TO SCHOOL

No child will be excused from school without a written request from a parent or guardian. This is for the protection of your child. Children must be signed out when being picked up early at the office.

ORGANIZATIONAL MANAGEMENT

Teachers arrive at school around 7:20 AM.

Teachers are busy with the children arriving and must begin classes on time – First Grade and Kindergarten (8:00 sharp) Pre-Kindergarten (8:30 sharp), so parents are not to interrupt by going to any classroom. Anyone having a concern, etc., may come to the office to schedule an appointment with a teacher. The same procedure holds true at the end of the school day when teachers are busy with children and unable to talk with parents. Appointments will be scheduled for after school hours when the children are not in school.

SECURITY

The school doors are locked and remain locked all day. **Anyone seeking entrance to the building must ring the side doorbell to communicate with the secretary over the intercom. When admitted, the person must go directly to the secretary's office and sign in. No one admitted is to go to any classroom without office permission.** If picking up a student before dismissal times, parent /guardian must sign their child out at the office. All volunteers must sign in at the office before going to their designated areas. Everyone is to sign out when leaving the building.

ACTIONS THE EARLY CHILDHOOD LEARNING CENTER WILL TAKE IN THE EVENT A CHILD IS NOT PICKED UP AS SCHEDULED:

- 1. Parents will be called. If no answer –**
- 2. Emergency contacts will be called. If no one can be reached –**

3. The child will go to our Aftercare Program, and we will continue to reach the parents/guardians/Emergency Contacts.
4. The Aftercare fees will be charged accordingly.

SCHOOL AND HOME ASSIGNMENTS

In order to maintain acceptable grades, good study habits are a must both in school and at home. Parents and teachers must work together and support one another regarding homework assignments. The school office will NOT be able to call parents for lost or forgotten homework.

DISCIPLINE POLICY

Discipline must be a joint effort of the school, the parents, and the students. It is to be administered with consistency and fairness to ensure that each child is given the opportunity to fulfill his/her potential unhindered by the disruptions or infractions of others.

Each teacher will clearly define the expectations of classroom behavior, and all students have the responsibility to abide by the rules.

GENERAL UNDERSTANDING

1. Parental support of the School's discipline policy is seen as essential.
2. The classroom teacher is the primary disciplinarian and will redirect children as needed. In the event of severe behavior, the student will remain with the teacher and the aide will take the rest of the class to an alternate classroom with the school secretary to continue activities. In either event, parents will be notified.
3. The Director will consult with teachers concerning matters which warrant further attention.
4. While school buses are not under the direct supervision of the school, the director will work with the transportation office personnel to maintain order and safety on the buses for your children during field trips.

5. At times it may be necessary or desirable to require a student/family to seek the services of an outside agency. The director will maintain a list of suitable agencies or individuals providing service in the area. Continued attendance at St. Francis de Sales School may be contingent upon the family's compliance with the recommendations of the evaluating agency and/or counselor.

DISCIPLINE POLICY Cont'd.

SPECIFIC UNDERSTANDINGS

1. Students are expected to behave in a responsible and appropriate manner in class. Children are expected to be on time and prepared for each day as well as show respect for teachers, staff, and classmates.
2. Bullying is not acceptable behavior and will not be tolerated.
3. Fighting – including physical and verbal incidents and harassment will not be permitted. While we will deal with each incident on an individual basis, it should be understood that an incident of fighting will result in an in-school or out-of-school suspension. That suspension may be accompanied by a period of disciplinary probation. This in turn can lead to being asked to leave our school.
 - Step 1 – Parent/Guardian phone call.
 - Step 2 – Written Notification.
 - Step 3 – Dismissal from program.
4. Weapons on School Premises — No instrument that can be construed as a weapon (i.e. knife, lighter, or the like) will be allowed on school premises.

Our goal is to provide a positive environment for all the children and staff. However, children have bad days like you and I. At the beginning of the year we will let the children know what behavior is acceptable and what is not. Hitting, biting, or harming another is never acceptable. If this does occur, we feel redirecting is the best approach. We will always deal with the parties involved. Redirecting may include a space where the child has the opportunity to think about a better choice.

First Experience

Please remember that preschool is a new experience for many children. New experiences can be scary for everyone. Your child may have a difficult time. Tears are normal and healthy for changes that occur in your child's life. If there is something we can do to help, please let us know. We find that children do best when parents are firm and say a gentle goodbye. Once the parent is out of sight, children begin to settle in. This may take a couple of days or even weeks. Consistency is very important. We will do our best to make sure this transition goes as smoothly as possible.

A positive attitude from adults will help make this difficult time a positive experience!

BEFORE AND AFTERCARE PROGRAM

Our program is designed to provide a pleasant and caring place where children feel safe and secure while their families are working. During that time we have scheduled activities as well as free time.

Before and After-School Care will be held on every school day from September until the last full day in June. The hours of operation for Before Care 7:00 A.M. – 8:30 A.M. and for After Care are from dismissal to 5:30 PM. If the school is closed before the end of the day because of inclement weather, we will keep the after school care children until they can be picked up.

We will also play outside, so please dress your child appropriately for outdoor play. Children enrolled are expected to be toilet trained, however, occasional accidents happen. Any accident will be handled with as little commotion as possible.

ILLNESS

It is important that your child have a positive school experience. In order to do that, your child must feel his/her best. If you suspect that your child does not feel well, please keep him/her home for the wellbeing of him/her and everyone in the class.

Our school policy states that you should not send your child to school if he/she has:

- Fever in the past 24 hours
- Vomiting in the past 24 hours
- Diarrhea in the past 24 hours
- Chills
- Sore throat
- Strep throat (must have been taking an antibiotic for at least 24 hours before returning to school)
- Bad cold, with a very runny nose or bad cough, especially if it has kept the child awake at night.
- Head Lice – unless it has been treated according to the nurse or doctor's instructions.

If your child becomes ill at school, you will be called to come and take him/her home. This will be done through the school office. It is essential that the office has a phone number where you can be reached. Please be sure that arrangements can be made to transport your child home from school and that childcare is available in case of illness. **If your daytime or emergency phone number changes during the year, please notify the school office immediately.**

MEDICATION

DISPENSING MEDICATIONS

We will need the following on file for medication to be dispensed during school hours:

Parent/guardian is responsible for dispensing their child's medication within the school day. Non-prescription medication such as topical ointments may be administered by the teacher or nurse with parent approval through written notification.

Vacations

Generally speaking, the Preschool, Kindergarten, and First Grade will follow the Herkimer School calendar. When the Herkimer School District is closed, the Early Childhood Center will be also. The same applies for snow days. You will receive a call from our Messaging System on snow days and/or emergencies.

Snack

Parents will be asked to provide snack. Please notify us if your child has any food allergies.

Birthdays

Birthdays are special! If you would like to send in a special snack for your child's birthday, we will be certain to celebrate. We celebrate July and August birthdays as half-birthdays for the children. During January, July birthdays are celebrated on the same date and in February we do the same for August birthdays. We want everyone to have a day to celebrate. Store-bought or homemade goodies are welcome.

If you are having a party for your child, please distribute the invitations on your own. Our school policy is not to distribute them at school, unless every child is invited. In the past, we have had many tears and hurt feelings because some children were excluded.

Special Guests

Throughout the year we will have special visitors according to themes we are working on. We are always looking for new talent, so if you or someone you know would like to share something with us, please let us know.

Newsletters

PARENT-TEACHER CONFERENCES

For purposes of mutual understanding, conferences can be very necessary and extremely beneficial. Please do not hesitate to call for an appointment if you would like to meet with the director, teacher(s), or both. Such a meeting may resolve a situation and benefit all concerned, especially the child.

Parents may not interrupt during class periods for such conferences. When an emergency arises, contact is made through the school office.

HOLY DAY MASSES

During the school year, faculty, staff, and students gather in church to join with Father in celebrating the Liturgy. With Father and the classroom teacher, each grade Pre-K 4's, Kindergarten, and First Grade will attend. It is our hope that as many parents as possible will make an effort to attend these Masses.

PARENT GROUP

The Parent Group is an organization affording parents the opportunity to become active members in the progress of the school. We welcome and urge parents to become actively involved.

All meetings will be held in a School Classroom. (TBD)

Our first meeting will take place at the end of September. Please watch for monthly newsletter/calendar.

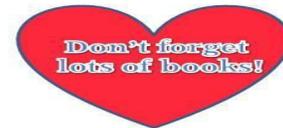

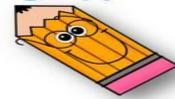

PARENT VOLUNTEERS/CLASSROOM PARENTS

Parent Volunteers provide a needed service to the students and faculty. There are several ways parents can become involved in the school. For example, there are pizza days and special lunch days where parent volunteers are welcome. Please contact your child's teacher or the school office if you are interested in volunteering to help with classroom parties for special holidays.

THE NEW SCHOOL YEAR

Recipe For a Good School Year

Mix all ingredients
and enjoy your school
year!

© Burke's Special Kids 2014

The new school year is a great time for parents to think about what they can do to make a real contribution to the education of their children. Make up your mind now that THIS NEW SCHOOL YEAR will be an enjoyable and profitable one for both you and your child(ren).

- 1) Before school starts, let your child know that you believe in respect and appropriate behavior.
- 2) During the school year, take a real interest in the work your child talks about or brings home. It will only take a few minutes, but it's important to the child and to you too.
- 3) For Kindergarten and First Grade, please check on homework once in a while. Just making sure that it's done isn't enough. See that it's understood also.

- 4) Keep cool! If your child is disciplined by a teacher or director, try to get all the facts. Make an appointment with the teacher or director. They will appreciate your interest.
- 5) Give your child responsibility at home. Children who are responsible at home are often more responsible in school.
- 6) Participate in the school activities when you can. It may take time. It will surely take effort, but the results will be worth it.
- 7) Read to your child daily. Try to vary the types of books read from non-fiction to fiction. Limit the amount of video and TV access per day. Your child WILL benefit from this.
- 8) Do your best to know your children's friends. If you have any criticisms to make, be sure they're valid ones, not just criticism based on appearance or hearsay.
- 9) Finally, practice what you preach! Make sure your home complements what your child learns at school. There's no substitute for example. Live the Christian life and chances are your children will too. Make a special effort to actively participate in your parish. Teachers are only helpers in faith education. You are the first teachers and the most important aspect of your child's growth and development.
